To Whom it may Concern

Dear Sir or Madame

I am both an Architect and a Builder and I have worked in partnership with Hermann Witthoefft for the past five and a half years as a builder.

I am leaving the building partnership to pursue my Architectural interests, and herein I am recommending Hermann for his Building expertise.

I can simply state that Hermann has all the ability to construct any form of building to standards of the highest order, with superb quality and accuracy.

Hermann also has ethical standards of the highest order and is totally honest in all his dealings.

If you need further information please contact me

Yours faithfully,

Stephen Wells
